

TIGER

Greetings to you from **TIGER**
(Theatre Integrating Guidance, Education and Responsibility),
Plymouth State University's Emmy® award-winning professional educational
theatre troupe! We are very excited to share with you our **19th Season**
of the very best in educational theatre, arriving in our brand-new **TIGER** van!

If you are a school who has had us before, we sincerely hope you will have us back. If you are new to **TIGER**, we hope you will give us a chance to visit you soon. Either way, we have enclosed our 2021-2022 **TIGER** brochure and related materials for you to discover for yourself why **TIGER is the #1 choice of assembly program** for many schools across New England.

TIGER is passionate about teaching social-emotional skills and empowering our school-age children to make the right choices in difficult situations. **TIGER offers exceptional original musical performances based on the writing of children, along with interactive experiences and workshops for students, teachers, and parents.** Our productions focus on real issues facing students today, and use music, theatre, dance, humor, and wit to engage, educate *and* entertain.

KINDNESS COUNTS — We are extremely excited to be touring this original musical production! With a special focus on important social-emotional skills, **KINDNESS COUNTS** promises to engage, educate, and entertain our school audiences. With a special focus on building a positive school climate through teaching the importance of kindness to yourself and others, this production highly engages K-5 school audiences. We had just started touring this show when COVID stopped **TIGER** in its tracks. If you haven't seen **KINDNESS COUNTS** already, or even if you have, we know your students will enjoy our 2021-2022 rendition! We have a new and exciting diverse cast, who bring such energy and joy to the production. We look forward to sharing it with you!

BRAND NEW DAY — This proven and popular hit production will delight your students and teach them many important lessons through a magical mix of music, theatre and dance.

TIGER THINK TANK — A new interactive workshop experience for middle school students, **TIGER** will use theatre as a way to work through issues such as handling gossip, advocating for themselves, finding confidence in their individuality, and empathizing with the people around them.

Each **45-minute show** resonates powerfully with student *and* adult audiences, as evidenced by the consistently strong evaluations we have received from principals, teachers, school counselors, and the students themselves. For pricing and other details see our enclosed brochure or give our **Tour Manager, Pam Irish**, a call at **603-535-2647**.

COVID COMPLIANT — Due to COVID, we have decided to limit our touring this season to these two productions. We will work with your school to ensure your safety protocols are followed. We want everyone to have a healthy and safe **TIGER** season. The magic of live theatre has been denied children for too long. **TIGER** fills young people with messages of hope, resilience, and positive solutions to life's difficult issues. We are very excited to be able to bring you the very best in educational theatre in a safe and responsible way.

We thank you, in advance, for considering booking a program that has enriched the lives of over 530,000 children over the past 18 years. Despite the hardships of the past few years, together, we can overcome anything. You, the public schools of New England, are the reason we keep doing this.

BOOK BY NOVEMBER 15 AND SAVE 10%! — As a special incentive to book EARLY, all those who book a **TIGER** performance NOW through November 15 for *any* date through **May 2022** will receive **10% OFF** the performance price!

ADDED BONUS — Book a 45-minute **TIGER** performance and we will include a year's subscription to **Turbo TIGER**, our new e-learning program for grades K-5. Get both for **just \$999** — a savings of over \$700! Enjoy a LIVE **TIGER** performance AND have access to **TIGER** resources for the ENTIRE school year through **TURBO TIGER**.
